# Limited Lifetime Warranty

---

CNC Cabinetry Inc. ("CNC") provides the following limited lifetime warranty to the original Residential Purchaser of all cabinetry and vanities manufactured by CNC. This Limited Lifetime Warranty ("Warranty") is only applicable to cabinets and vanities sold to the original Residential purchaser (as defined below) and used in the applications described below within the United States.

Except as allowed by applicable law, you may not assign or transfer this Warranty.

Under this Warranty, an original Residential purchaser is defined as an individual who purchases and installs the cabinets and vanities in a dwelling that is owned and used by that person as a primary or secondary home. A primary or secondary home does not include rental property. This Warranty does not apply to landlords, leasing companies or other commercial purchasers. Original residential purchaser shall include any business or person such as a builder, contractor or developer that purchases and install CNC cabinets and vanities in a newly constructed or renovated dwelling that will be used by the initial owner/purchaser of that dwelling as a primary or secondary home.

Subject to the limitations and exclusions set forth, CNC warrants to the original Residential purchaser that the cabinets and vanities will be free from defects in material and workmanship, Damage that occurs during normal wear and tear, or damage due to exposure to moisture or extreme temperatures are not covered under the warranty.

The Warranty period for the cabinets and vanities begin on the date the cabinet and vanity were purchased, whether purchased by you or by a third party on your behalf. Your warranty is only valid if you used the dwelling as your primary or secondary home and does not extend to future owners if the property is sold.

This Warranty does not apply to cabinets or vanities: 1. Installed outdoors; 2. misused, abused, or unauthorized alterations; 3. Improperly stored or placed in humid environment or subjected to improper temperatures; 4. Damaged due to flood, fire or other natural disasters; 5. Exhibiting normal wear and tear; 6. Which have been improperly installed, maintained or cleaned. In the event of a defect in the workmanship or materials occurring during the warranty period, CNC will at its option, repair or replace any defective cabinet or vanity or component provided, if it is commercially feasible. If it is not commercially feasible, CNC reserves the right to provide a credit towards a similar type of product sold by CNC. This is your sole and exclusive remedy for any defects.

This Warranty is limited to the replacement of defective parts only and does not include service, labor or transportation charges related to the removal or installation of the defective or replacement parts. This Warranty does not apply to any products used in conjunction with the cabinetry, or vanity, such as countertops, appliances, plumbing fixtures, decorative hardware, lighting. Repair or replacement remedies offered under this Warranty are subject to the current product offerings of styles and construction of CNC at that time. If a warranty claim is filed after a product has been discontinued or obsolete, CNC reserves the right at its sole option, to replace that part with one of the same or similar style based on availability and cannot guarantee an exact match.

The remedies described above are the sole and exclusive remedies and CNC's entire liability for any breach of this Warranty. Total liability shall under no circumstances exceed the actual amount paid for the defective cabinet or vanity. CNC shall not be responsible for any consequential, incidental, special or punitive damages. This Warranty gives you specific legal rights and you may also have other rights which vary from state to state.

For replacements under CNC's limited lifetime warranty, contact your authorized CNC dealer who will arrange for inspection of the cabinet. A dated sales receipt as proof of purchase is required to obtain benefits from this warranty, if you have difficulty reaching your dealer, you may reach out to CNC Cabinetry directly.
